ENVIRONMENTAL SUPPORT GRANTS

These grants are for applications that have arisen at short notice and fall outside the time-frame of PACT's other grants, but within PACT's priorities

Eligibility Criteria:

- » The funds must be used for activities or events that promote the appreciation, enhancement, and protection of Belize's natural resources.
- » The targeted activities or events must promote community awareness, information sharing, and training related to the appreciation and management of Belize's natural resources.
- » Only organizations which have not received an Environmental Support Grant from PACT within the last six months will be eligible to receive a grant.
- » Grants are not awarded to the same organization for a previously funded activity or activities within the same year.

grant budget: \$10,000
