SMALL GRANTS

The Small Grants Program was established in 1997 and is the first grant program at PACT. Its purpose is to provide financial support primarily to Community Based Organizations for protected areas management and conservation. Under the Small Grants Program, prospective grantees submit proposals in response to a "Call for Proposals."

MEDIUM-SIZED GRANTS

Medium-Sized Grants are awarded to governmental organizations, non-governmental organizations or to several organizations partnering to apply for a larger grant for projects within a specific protected area or several protected areas within the National Protected Areas System which contributes to advancing the implementation of the National Protected Areas System Plan.

APPLICATION PROCESS

1. Carefully fill out the Small or Medium-Sized Grant Application Form (pactbelize.org) ensuring all questions are completed.
2. Drop off or mail to PACT before deadline as indicated in the “Call for Proposals.”
