

Request for Expression of Interest Technical Officer

Background:

In October 2018, PACT received accreditation by the GCF as a national Direct Access Entity. This role requires PACT to take on several responsibilities associated with the delivery of impactful projects within the priorities of the Fund, of PACT, and of Belize's National Climate Change Policy & Plan and related frameworks. To this end, PACT has secured financing from the GCF under a Readiness and Preparatory Support Project titled "*Capacity Building for PACT as a GCF National Direct Access Entity*," which seeks to strengthen PACT's capacity to access, manage and monitor sub-projects within Belize. PACT is now seeking the services of a technical officer to support the preparation of project concepts and proposals for PACT and/or its primary stakeholders. The aim of the consultancy is to design potential projects/programs that can qualify for climate finance grants from the GCF, Adaptation Fund and other climate financing sources available to PACT; and which are aligned with country priorities, strategies, and needs on climate change. In carrying out the consultancy, the consultant is required to employ a collaborative approach and effective communication with all relevant focal points within PACT and its partner agencies.

Services Description:

PACT is interested in identifying a Consultant to oversee the implementation of the Readiness Grant and to aid PACT and national stakeholders to develop project concepts and proposals. The objective of this consultancy is to enable PACT and national stakeholders to efficiently access climate financing through the development of project concepts.

Professional and Skills Requirements

- Minimum of a Graduate Degree in area of expertise Planning/Development, Economic Development, Natural Resources Management, Sustainable Development, or other fields relevant to environmental sustainability and climate
- Relevant work experience of at least three (3) years in area of expertise;
- Experience in developing concepts and projects for climate finance institutions

PACT invites interested eligible Consultants to submit an expression of interest indicating competence and relevant experience in completing similar consultancies. Packages should include:

1. Expression of Interest
2. Curriculum Vitae

For additional information on the consultancy, interested Consultants may send an email to hram@pactbelize.org.
